## OBSERVATION : ACADEMIC EXCELLENCE WITH ALL ROUND DEVELOPMENT OF THE CHILD

The School has been set up under the aegis of Hindi Balika Vidyapith Trust to ensure all round development of students and to provide quality education to all sections of the community, irrespective of caste, creed, social and economic status. The school aims to provide sound education for character building, development of values and personal qualities of head and heart which will prepare healthy, active, self-reliant and responsible citizens of India and thus make them fit for every walk of life. H. B. Vidyapith is a charitable trust. The school believes in imparting quality education for all children.

The school pays attention to various co-curricular activities which will mould the students from middle and lower middle class families. The institution believes that service to children is service to humanity. As computer has become a key factor in all aspects of our day-to-day activities, the school leaves no stone unturned to pay attention to Computer Education to make the student a modern citizen alive to the needs of the present age.

The school has introduced E-classes from Nursery to provide state of the Art Education.

Teachers and students are well in action throughout the entire academic year with not only co-curricular work but also with all-round self development programmes. Apart from sports and games, pupils find avenues of self expression through Art Club, Music Club, Literary Club, Science Club, Book Club and Various other creative activities, which are both pleasurable and enriching. The school also maintains well-equipped Science Laboratory, Geography Lab, Mathematics Lab, Computer (Informatics Practices) Lab.

Besides the above general aims H. B. Vidyapith has also some definite and concrete aims -

1. To impress upon the minds of the learners that the school is a society in miniature
2. To unleash the latent qualities of each and every child, to develop those qualities, which will go towards building a strong country.
3. To develop the we-feeling among the learners, to develop a sense of self-discipline, punctuality and habits of both intensive and extensive studies.
4. To encourage the students to participate in co-curricular activities of varied types.
5. To make the learners well mannered, respectful, well disciplined and patriotic.
6. To make the environment clean, favorable and to make it worth living.
